As an actress and performer I have worked in film, commercial, voice over, television, industrials and print. I was a local NPR radio announcer for many years and recorded many radio commercials during that tenure. I have also worked as a professional Dialect Coach for Netflix, and continue to teach acting and self taping techniques, both in person and online. I have also directed 30+ regional theatre productions, I have a BFA in Acting, an MA in Communication Studies and an MS in Psychology.
